

# GLIDEROL GARAGE DOORS

Gliderol International, a wholly owned Australian manufacturing company, has since its inception in 1975 been responsible for producing world class doors and automatic operators. This award-winning company is truly light years ahead in the garage door market.

**Colorbond®**

**Residential Roller Door** – The GlideRol•a•Door® surpasses all expectations in the garage door market. This door will provide you with an aesthetically pleasing uplift to your home's appearance. Built entirely in Australia this roller door is designed to withstand the toughest of tests in safety, security, strength and durability.

**Glidermatic GRD® Operator** – If it is safety and convenience you require why not have the Glidermatic GRD® Operator installed to your roller door. This operator is designed like no other, with its unique orbital drive mechanism and can be easily fitted to most doors, existing or new, in a matter of minutes.

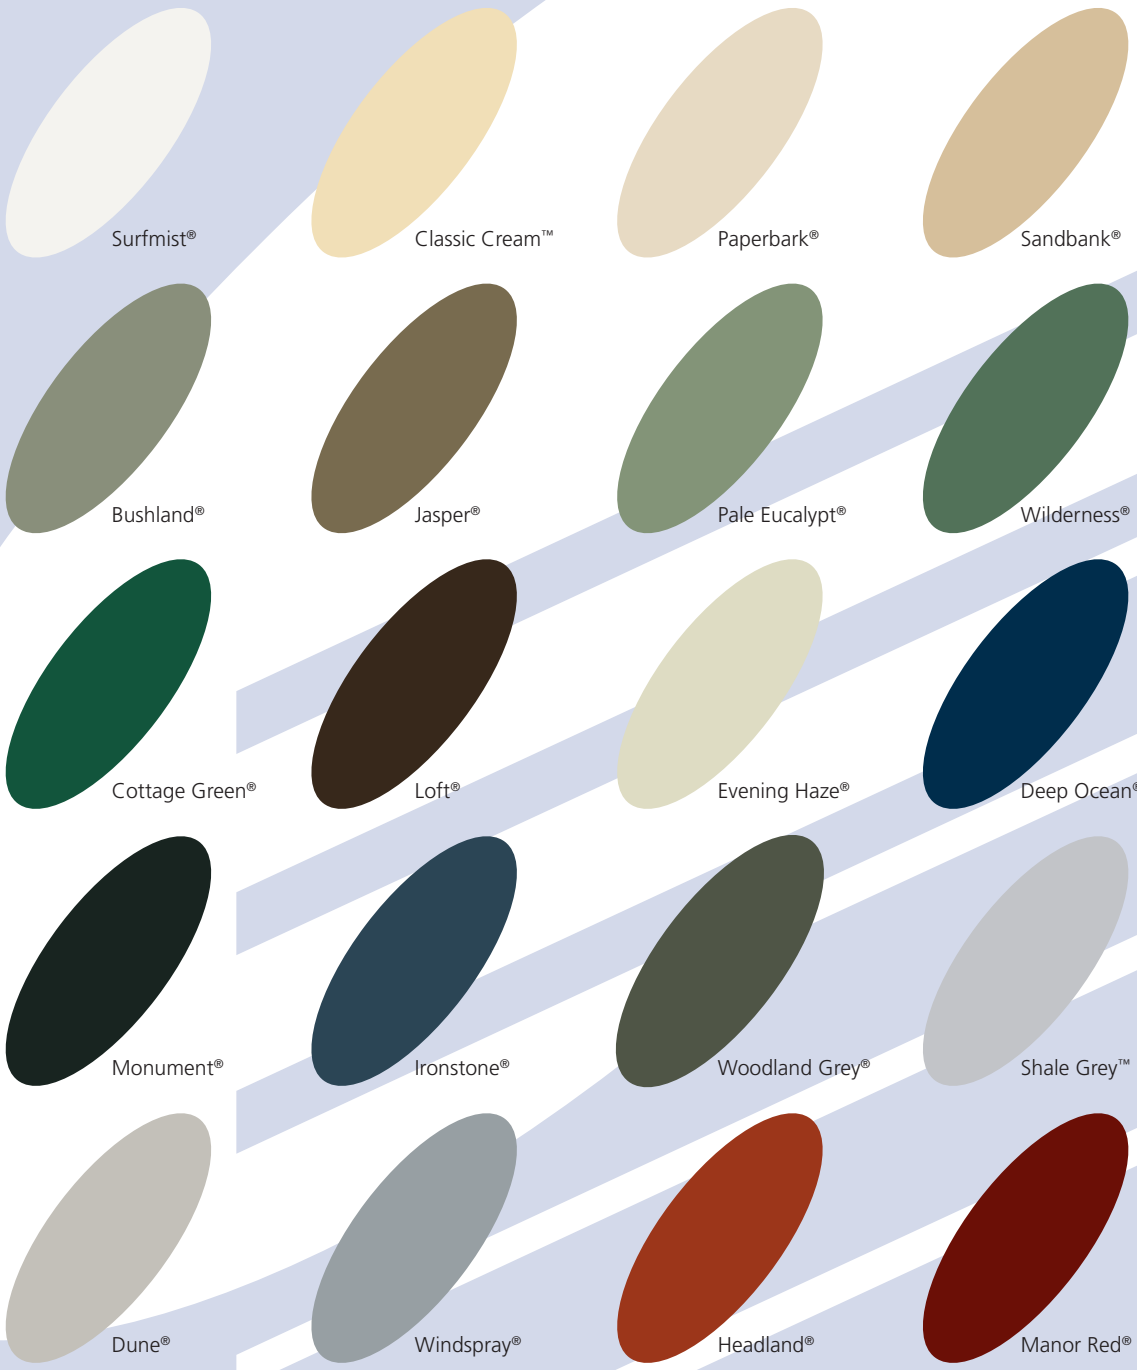

**Panel-Glide®** – From the makers of the famous GlideRol•a•Door® comes the raised panel sectional overhead Panel-Glide®. Unique and easy lifting, with its spring assisted lifting mechanism will ensure long life and reliable performance.

**Glidermatic GTS® Operator** – Can be fitted to most overhead garage doors. It offers quiet reliable performance, with enhanced safety features, including an auto reversing mechanism as well as an automatic courtesy light.
